

Large walk-behind scrubber dryers - easy cleaning of all kinds of floors

The VIPER FANG 24T/26T/28T are large sized walk-behind scrubber/dryers. Through platform design we can offer these machines at an attractive quality/price level. Simple and easy to use controls.

The VIPER large walk-behind scrubber/dryers are robust (rotationally moulded housing), reliable and service friendly. With the ergonomic design you can easily see the floors around the machine. All machines have a transaxle drive system with a variable speed transaxle drive. It is easy to change the brush/pad pressure and can clean all kinds of floors.

PRODUCT FACTS

- Easy to use and service
- Optimal suction power
- Easy to manoeuvre and transport
- Heavy duty aluminium squeegee assembly
- Ergonomic design
- Extra set of squeegee blades on board
- Variable pad/brush pressure
